However, strenuous efforts will be made to complete the census and to complete the work of the Bureau of Census.

Commissioner -

as some of the Indians are exceedingly anxious to get on the rolls while other Indians are as anxious to get off the rolls. Some Indians think they may bring with impunity if not carried on the rolls and other Indians wish to get on and are not entitled, for the sake of getting in on some funds which they expect may be distributed among these Indians. In order to obtain a complete census it will be necessary to make a house to house canvass and this is very difficult to do during the winter time with the heavy snows and poor roads in this country.

I do not believe that a census made up in the office, as many of the have been made, is worth the labor. I respectfully request that no census for the year ended June 30, 1916 may be passed, under the circumstances, and that our efforts may be bent to securing a complete and accurate census for the present fiscal year.

Yours very truly,

Census.

Mr. Henry J. McQuigg,
Supt. Hayward School.

My dear Mr. McQuigg:

Your Annual Report for 1916, shows a population of 1254 Chippewa Indians on Lac Courte Oreille reservation, and yet, according to the files of this Office, no census for the year has been received.

In this connection, your attention is invited to Section 9 of the Act of July 4, 1884 (23 Stat. L., 98), which requires that Superintendents in charge of Indian reservations submit annually a census of all Indians under their jurisdiction.

The Office is making special effort this year to secure a complete census of all Indians under Federal supervision.

In view of these facts, the Office requests you to prepare a list (arranged alphabetically by families) of all Indians under your jurisdiction, on Form 5-128, for the fiscal year ended June 30, 1916.

Very truly yours,

12-EWB-7

Assistant Commissioner.

Hayward, Wisconsin,
July 30, 1917.

The honorable
Commissioner of Indian Affairs,
Washington, D. C.

My dear Mr. Commissioner:

I have the honor to submit herewith census prepared during June and July, 1917 of the Indians belonging to the Lac Courte Oreille Band of Chippewas and who belong to this jurisdiction.

No efforts have been spared to make this census as reliable as possible and it is believed that it is a much more correct census than has ever been taken heretofore. All the field employees under this jurisdiction, as well as the clerks in this office and the Superintendent, have all had a hand in the making of this census and through all these sources much valuable information has been obtained relative to the individual Indian families and their descendants. The census is submitted in duplicate.

Very truly yours,

A. J. DeBureau
Clerk in Charge.
